

# Genealogists

## of the Clinton County Historical Society

P.O. Box 23, Saint Johns, Michigan 48879

OFFICERS ELECTED on 7 April 1980 by the Genealogists of the Clinton County Historical Society...

President of the Genealogists,  
ARLYNN G. GANTZ, City of DeWitt

Vice-President,  
JANET SNYDER, Greenbush Township

Secretary,  
WILMA SOWLE, DeWitt Township

Treasurer,  
ARLENE SCHRADER, Riley Township

Michigan Genealogical Council Delegates,  
appointed by president...

- (1) JOAN BANCROFT, Essex Township
- (2) Alternation of junior officers.

TWO FOR THE PRICE OF ONE We would like to remind the several new members who have joined the Society just recently to attend the Monday night Genealogy meetings, that their dues also include the Historical Meetings that are held on the third Thursday of the month. Genealogy on the first Monday, and History on the third Thursday... that's a good deal for any Clinton County resident, or folks in our neighboring counties.

We also urge you to bring a friend to our sessions so that we can all share and learn together. We are also hopeful that the new members who have been joining the Society just to receive the "Newsletter", will also plan attending meetings when possible.

26 ATTEND MEETING IN ELSIE The May 5th meeting of the Genealogists was held in the Elsie Public Library building, and was held with the great cooperation of the Elsie Historical Society. We thank our hosts, Mrs. Hazel Ballantine and Mrs. Vera Stinebower for explaining to us the genealogical values of the "History Room". We all left with a feeling that Elsie is (and should be) a proud community active in its historical preservation.

SUMMER SCHEDULE The G/CCHS do not take a Summer break, and will be meeting on the First Monday of the month as usual. Hope that you will all plan to attend. On June 2nd we'll be at the DeWitt Public Library in DeWitt. The July 7th meeting will be in Fowler, at a sight to be determined later. The August 4th session will be our annual Potluck Supper to be held at the home of Don & Janet Snyder, 3416 W. Banner Road, located about four miles northwest of St. Johns. All meets are 7:30pm.

COUNTY-WIDE PROJECTS The Genealogists of the Clinton County Historical Society have many interesting projects underway, and many of them are devoted to the preservation of the old available genealogical records. Learn more about these projects when attending our Monday meetings. You will be hearing more about what is being completed during the coming year.

TOMBSTONE INSCRIPTIONS Goldie Moore has expressed her desire to continue working on the re-reading of the tombstones of all the cemeteries of Clinton County. We support this worthwhile project. This is quite an undertaking, and we are in hopes that we will be able to find more interested readers than what we have had in the past. Stone reading is not only fun, but good exercise too... and just look what you can do for the preservation of one of the sources of Clinton County records. See Goldie Moore, 3623 West Chadwick Road, DeWitt, Michigan.
