

Frink Cemetery
Walker Road east of Lowell Road
Section 2, Bengal Twp.,
Clinton County, Michigan
(2002)

This is a small, inactive, wooded cemetery. The 1938 reading said the cemetery had been abandoned and many bodies and stones removed. In 2002, a number of markers are broken, leaning or toppled. The cemetery has been mowed and brush removed. Markers are not in any particular rows, but arranged in various directions within each plot.

Reading is from west to east and south to north.
